Reynolds Homestead HIGHLIGHTS

Help Support PCHS Backpack Program

Patrick County High School has contacted the Reynolds Homestead for assistance with its efforts to begin a backpack program for its students. Previously, only the elementary schools have supplemented low income students with weekend backpacks that are filled with foods to help the students who may face hunger issues. For many, the meals they receive at school are the only hot and nutritious meals they receive.

Getting the program started means needing lots of donations - both of food and money, and for the months of September and October, the Homestead will be collecting both.

Recommended are non-perishable foods that do not have to be heated to be eaten. High fiber and protein items are good. Fruit cups, tuna packs, protein bars, cereal bars, juice boxes and items like these are the best. We appreciate your support!

PB&J Ready to Rock Jazz on the Lawn

The first of the Jazz on the Lawn Concerts is Sunday, September 13. Join Les Moore and friends for an afternoon of great music on the lawn of the historic Rock spring Plantation. 3:00 p.m.

Enjoy the soulful sounds of Les Moore on vocals, Tom Klingelhofer on bass, David Oakes on guitar and Mike Mitchell on violin. BYOB and your picnic basket and chair. Held on the lawn of the historic home. Rain location, inside the Community Enrichment Center. Adults \$12, Students \$6. The next concert will be October 11 featuring Le Hotclub of Big Lick.

Fall Nature Photography Class

Join Certified Professional Photographer Ricky Dawson for a day on the Homestead property to learn new tips and tricks for great nature photography. (But not bears!)
