Get Engaged!
Leadership Patrick County Class of 2022

Enroll in Leadership Patrick County 2022 to grow professionally, to learn more about Patrick County and become civically engaged. Join your new friends as you plan and implement a community project to address an identified need in the county. Your cohort will meet one full day each month, traveling to different communities in the county where you will visit businesses, historical sites, non-profit organizations and schools. Each month you will attend a community meeting to gain a greater perspective of government and other organizations committed to improving the lives of Patrick County citizens.

Gain skills in team building, collaboration, consensus building, design thinking, and project management as you participate in an AIR Shift workshop to develop your community project. An overnight trip to Richmond provides you an opportunity to tour the Capital, sit in on sessions, meet your Senator and Delegate, and enjoy a meal with Reynolds family members.

The schedule is designed to provide a broad understanding of life in Patrick County. Transportation and most meals will be provided. You must be able to participate in scheduled activities listed below:

September 22, 2021 - 8am - 5pm:
Orientation at Reynolds Homestead
